AVNEET NIJJER

Brampton, Ontario, L6X5N6 ▪ (647) 446-7074 ▪ nijjea1@mcmaster.ca ▪ Linkedin ▪ Github

OBJECTIVE

First-year Computer Engineering student at McMaster University seeking a co-op employment to gain hands-on experience in software development, embedded systems, and hardware design. Eager to contribute to real-world projects, learn from industry leaders, and improve technical and problem-solving skills.

TECHNICAL SKILLS

- Certifications and Technical Projects: Completed multiple certifications through the **SHSM program**, gaining hands-on experience in **cybersecurity**, drone building, **Algorithms**, and **AI integration** through coding projects utilizing binary search trees & decision trees.
- Java Programming Expertise: Over 2 years of experience in Java programming, with a focus on **user interface development**, **array programming**, and implementing **abstract data types (ADTs**) such as stacks and queues.
- **Object-Oriented Programming**: Proficient in using OOP techniques to create objects for various applications, with a strong understanding of methods and subprograms, including parameter and return types.
- Mobile App Development: Demonstrated expertise in developing fully packaged **Android applications using Android Studio.**
- Programming Languages: Proficient in **Python** and **Java**; moderate experience **XML** for mobile app development, foundational knowledge of cloud computing and cybersecurity principles.
- CAD Software: Basic understanding of **Autodesk Inventor for 3D modeling and design**.
- **Public Speaking**: Confident communicator with experience presenting to small groups and technical audiences.

EXPERIENCE

CODING INSTRUCTOR — SEPT 2023 – JUNE 2024
TORONTO DISTRICT SCHOOL BOARD - ETOBICOKE, ONTARIO

- Designed comprehensive instructional materials and lesson plans for coding courses.
- Taught student's foundational concepts in programming languages, including Java, Python, and Scratch.
- Demonstrated the use of various coding-related software applications.
- Provided technical support and troubleshooting assistance to students during class sessions.

LIFE GUARD INSTRUCTOR — DEC 2022 – AUG 2023
CITY OF BRAMPTON, ONTARIO

- Conducted daily pool maintenance, including testing, and adjusting chemical PH levels to ensure safety.
- Kept accurate records of incident reports, chemical levels, and patron attendance.
- Provided first aid to injured patrons as needed.
- Enforced all safety regulations and posted guidelines to maintain a safe environment for patrons.

EDUCATION AND TRAINING

BACHELOR OF ENGINEERING: ENGINEERING — SEPT 2024- PRESENT

MCMASTER UNIVERSITY – HAMILTON, ON

- Participated in first-year design and computing competitions.
- Undergoing courses: Python programming using Spyder, Autodesk Inventor CAD software, and introductory robotics, mathematics and physics.
- Projects and Research: Developed a digital art string program, created a game room program, completed multiple CAD designs, and assembled Q-arm and platform components for airport baggage transportation.

HIGH SCHOOL DIPLOMA — SEPT 2020- SEPT 2024

BRAMPTON CENTENNIAL SECONDARY SCHOOL – BRAMPTON, ON

- Specialist High Skills Major in Information and Communications Technology.
- French Immersion Program.
- Honor Roll recipient.

EXTRACURRICULAR ACTIVITIES

- **Specialist High Skills Major (SHSM) Program – Information & Communication Technology**
- **DECA**: Participated in competitive business challenges at the provincial level.
- **Robotics Program**: Engaged in hands-on robotics projects and competitions.
- **Bhangra Dance Club**: Served as President, leading club activities and performances.
- **Lifeguard**: Maintained safety and provided supervision at aquatic facilities.
- **Air Cadet**: Achieved the rank of Flight Sergeant, demonstrating leadership and commitment to the program.
- **CPR Certified**: Licensed until 2026, ensuring readiness to provide emergency assistance.
- **Bilingual**: Proficient in English, French and Punjabi.
